

Annex: Details of schemes

1. Lawyers Go Global Scheme:

- a. Assists Singapore lawyers and Law Firms to connect their legal expertise with global opportunities through overseas mission trips, training, branding and marketing.
- b. By 2021, we expect that the Law Society, with support from MinLaw and Enterprise Singapore would have organised at least 8 mission trips to fast-growing regional countries, including China, India, ASEAN countries, involving up to 280 Singapore lawyers.

2. Tech Start for Law

- a. MinLaw, the Law Society and Enterprise Singapore launched Tech Start for Law in 2017
- b. \$2.8m scheme to increase the level of technology adoption in Law Firms.
- c. Take-up was strong, 115 Singapore law practices, virtually all small and medium-sized, benefited from funding support.

3. Tech-celerate for Law

- a. \$3.68m scheme launched by MinLaw, the Law Society, Enterprise Singapore and IMDA to help Singapore law practices adopt technology by funding part of the costs of adopting technology solutions.
- b. This is a step up from Tech Start, it extends beyond baseline solutions to advanced solutions, with more funds allocated, and IMDA involved.
